MULTI-FAITH AND REFLECTION SPACE

At Leeds Playhouse, we want everyone to feel comfortable and to bring their whole selves to our spaces. We are committed to creating an environment of safety and inclusion. This multi-faith and reflection space was set up with this in mind. It is a dedicated room offering a quiet, comfortable place for people who would like to take a moment for reflection, contemplation or prayer. This welcoming space is for people of all faiths and beliefs to use for individual worship, practice or meditation whenever they need to. Equally, this space is for anyone, irrespective of faith and belief, who would like to sit peacefully and reflect on their day.

This space is located on the 3rd Floor, next to the Weston Room.
